Winter 2008

Eastern Seniors News 2008

The 2009 schedule is exciting, playing great courses for the first time and returning to some favorites played in the past. Please plan to participate often in 2009.

As in the past we urge you to ask friends to join ESGA. Each year we do lose a number of members. This year the number is greater than in the past. We now vote on applications each April and October allowing new members to play in events for the current year and next season. In many golf events guests are encouraged to join us. Call or email the office for applications soon.

Our many thanks to Jim Peelor for his leadership as president for the past two years. Also thanks to Charlie Ake for his many years as an officer and as active Governor.

See you on the links,
Peter Van Kleeck

Welcome New Members

Help Us Celebrate our Golden Anniversary 1960—2010 50 Years of the Eastern Seniors Golf Association

We are currently working on making our 50th year memorable by returning to some of the original venues at which the founders enjoyed their golf.
